WOMEN
SERVED

To our community,

I am beyond grateful for your partnership with Free The Girls. Every person who supports this work is bringing true freedom for survivors of trafficking and exploitation. We continue to evolve as we learn from the women we serve, and we celebrate the impact you've helped create! We have exciting initiatives on the horizon—some have already been launched and are showing positive results, while others are new and innovative. You get to be a part of it all!

Thank you for being an ally in our mission to create a world where all women have the opportunity to thrive.

For True Freedom,
Dr. Courtney Skiera-Vaughn
